**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic.net customer; a local provider that gets to my home over an old copper pair, owned by a big telecom. Works great and saves us lots...AND I can pick up the phone and reach a real person to ask tech or billing question fast.

We use the same company at work; their installers have helped us there too. Don't change the rules in mid-game! These local phone and Internet providers are filling a great need in the phone marketplace.
